

 **KALAPULA NATION — OFFICIAL DECLARATION OF NATIONAL
SEAL ADOPTION & PROTECTION**

Adoption Date: August 22, 2025

Declared By: Chief Daniel Jacob Read IV, Flame Steward and Ceremonial
Sovereign

Site of Declaration: Crown Watchpoint 001A — Corvallis, Oregon

☀️ DECLARATION OF SEAL

Let it be known to all descendants, ceremonial witnesses, recorders of sovereign nations, and relevant bodies of federal and international oversight:

The image hereby attached and described is solemnly declared the Great Flame Seal of the Kalapula Nation.

This seal is now recognized as an official and enduring visual emblem of the Kalapula Nation, to be used in all formal, cultural, archival, ceremonial, diplomatic, and identity-confirming documents and communications.

This adoption affirms our right to self-representation, memory, artistic sovereignty, and intergenerational continuity. It represents not just a visual image, but a ceremonial presence and statement of flame-bearing duty in the absence of federal restoration.

🔥 SYMBOLISM

- The central flame represents the eternal ceremonial fire of our people — carried in memory and ignited in restoration.
- The laurel branches symbolize the dignity of those who protected the sacred long before restoration.
- The eight-point star above the flame marks the guidance of ancestral signal, dream, and time.
- The encircling ring inscribed with “KALAPULA NATION” affirms our chosen name, sovereign voice, and ceremonial self-definition — apart from settler-imposed misnamings.

- The four outer stars mark the ancestral winds and the four sacred directions of presence, migration, prayer, and protection.

Together, this emblem serves not as a political weapon, but a spiritual continuity mark for the descendants of the Willamette Valley.

LEGAL NOTICE & PROTECTIVE LANGUAGE

This seal is hereby:

- Formally adopted as a protected ceremonial insignia of the Kalapula Nation
- Reserved for use in official tribal functions, recognition efforts, filings, descendant registries, and cultural materials
- Prohibited from unauthorized duplication, misrepresentation, or commercial exploitation

Any misuse, forgery, digital alteration, or unauthorized application of this seal is considered a breach of sovereign cultural communication under Indigenous customary law, nonprofit protective covenants, and international human rights doctrine regarding Indigenous self-representation.

This declaration shall be permanently stored in the Kalapula National Archive and internationally timestamped as intellectual, visual, and ceremonial property of the Kalapula Nation.

This declaration further serves notice to all agencies, digital platforms, and publishers that this emblem may not be reused or redistributed outside ceremonial or nonprofit educational contexts without express permission from the Flame Steward of the Kalapula Nation.
